

I got requested to add these links to one file and link to the sites for easy access, so here they are.

[Bizanosa Website](http://bizanosa.com/) : <http://bizanosa.com/>

[MailChimp Website](http://bizanosa.com/) : <http://bizanosa.com/>

The [Free Template download link](#)

[Themeforest Email newsletters](#)

[The7 - Responsive Email Template + Online Editor](#)

If you have other requests, please let me know and I will see what I can do about them. Feel free to contact me via <http://bizanosa.com> or via [Facebook](#)
